

## Lancaster Family YMCA Association Facility Supervisor

---

### **Position Summary:**

The Association Facility Supervisor is responsible for overall maintenance of the Lampeter-Strasburg and City Facilities. This position is responsible for performing basic maintenance tasks, providing recommendations for major repairs, completing and coordinating preventative maintenance tasks and overseeing contract work for facilities.

This position is required to take responsibility for the mechanical, physical appearance and presentation of YMCA facilities as well as providing member service through caring, honest, respectful and responsible actions and interactions that contribute to the relationship between the member and the YMCA.

### **Qualifications:**

1. Minimum of a high school diploma or GED required; and
2. At least 2 years experience working with diverse maintenance tasks with a working knowledge of HVAC, electrical and plumbing systems, carpentry and other maintenance-related areas; and
3. Certified Pool Operator is preferred.

### **PHYSICAL DEMANDS and WORK ENVIRONMENT:**

Must be able to operate and lift heavy equipment. Majority of time spent standing and walking around the facility as well as climbing multiple flights of steps and ladders.
